

Information Bulletin No 3

17th of February 2004

1. Clarification of Administrative Character

- 1.1 The Organizing Committee announces its decision not to accept entries of electric cars of categories II, III and IIIA. The decision was taken due to the fact that after the deadline for submitting entry forms, the number of the above category cars was insufficient for developing competition. Furthermore, few of the teams were meeting the rules of the regulation for possession of an installed system of electric power supply from renewable sources.
- 1.2 The entry fees for the electric cars entered that have paid will be returned after this bulletin has been issued.
